

REMARKS

Responsive to the requirement for election of species,  
applicant elects Species I.

It is believed that claims 1-8, 17-21, 27-35 and 45-54  
are readable on the elected embodiment.

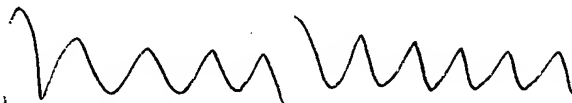

As the allowance of the elected claims would not result  
in the examination of the remaining claims, the remaining claims  
are canceled herewith, but a divisional application, drawn to the  
canceled claims, may be filed at any time during the pendency of  
the present application, and so this cancellation is without  
prejudice.

An action on the merits of the elected claims is  
respectfully requested.

The Commissioner is hereby authorized in this,  
concurrent, and future replies, to charge payment or credit any  
overpayment to Deposit Account No. 25-0120 for any additional  
fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
